

When extending Work at Home Use Rights, you and your affiliates must make reasonable efforts to ensure that faculty, staff or other employee users delete such copies from their computers at the end of the agreement term. It is recommended that your licensed users officially accept the terms of the Academic Select 6.0 agreement and sign an acceptance form when media is distributed. This information would then be stored in your database. For example, you may create a form that users sign stating (but not limited to) the information below.
